### 2003-05 Hummer H2 - Bolt Over

Step 1: Center billet grille in opening with the flat ends of the grille toward the top as shown below. Use #10-24 x 2" Bolts & Nuts supplied and attach per illustration below.

Step 2: Check to make sure the grille is properly in place and tighten the bolts just enough to hold the grille in place. **DO NOT OVER TIGHTEN** as this may cause the grille shell to crack.

**Note:** Please adjust horizontal blades if irregular. This is the result of shipping and handling outside of Carriage Works control. Carriage Works recommends applying a high quality automotive wax to maintain the original appearance.
